

**Authors Undertaking and Copyright Statement**

[All authors are required to manually sign this document, and the corresponding author must upload a scanned copy during submission of manuscript to MedPulse Spectrum]

We, the undersigned, provide the following undertaking regarding our article titled: \_\_\_\_\_ Submitted for

publication in **Medpulse Spectrum** on their “Open Journal System”.

1. The aforementioned article has neither been published nor submitted, nor accepted for publication in any form to any other journal.
2. We affirm that the authorship of this article will not be disputed by individuals not listed as authors herein.
3. I/We declare that our contributions to the research study include:
  - (a) conception, design, data collection, analysis, and interpretation.
  - (b) drafting the article or critically revising it for important intellectual content.
  - (c) providing final approval for the version to be published.
  - (d) willing to share responsibility for the entire research work, ensuring both integrity and accuracy.
4. I/We acknowledge **Medpulse Spectrum's** conflict of interest policy and commit to promptly informing the editor or editor’s designee of any business, commercial, or other proprietary support, relationships, or interests that may directly or indirectly relate to the subject of the work.
5. Patient’s written consent has been obtained (strike off if not applicable).
6. I/We agree to the following sequence for authorship credit:

**Additional Statements:**

7. We warrant that the submitted manuscript is original and that all data and figures are accurate. Any borrowed content or quotations have been appropriately cited.
8. In the event of acceptance for publication, we agree to promptly respond to any queries or requests for additional information from the editorial team.
9. We understand that **Medpulse Spectrum** may apply ethical standards and reserves the right to retract the article if any ethical violations or research misconduct are discovered post-publication.

Authors’ Names (in sequence)	Nature of contribution	Signature of Authors
1. [Author's Full Name]		
2. [Author's Full Name]		
3. [Author's Full Name]		
4. [Author's Full Name]		
5. [Author's Full Name]		
6. [Author's Full Name]		

Authorship credit should be based on 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published, 4) d) willing to share responsibility for the entire research work, ensuring both integrity and accuracy. Authors should meet conditions 1, 2, and 3.

As the corresponding author, I \_\_\_\_\_ confirm that MedPulse Spectrum and its Editors will not be held liable for any potential copyright claims from third parties or future lawsuits. In such instances, I understand that I will bear sole responsibility.

I further confirm:

- The research paper is free from libelous or unlawful statements.
- Unlawful methods or materials were not utilized during the research.
- All necessary legal permissions related to the research have been obtained.
- Ethical principles were strictly adhered to throughout the research process.
- Privacy and confidentiality of research participants have been maintained in accordance with ethical standards and applicable laws.
- Any copyright claims or lawsuits arising from this publication are the sole responsibility of the undersigned author(s).

Signature \_\_\_\_\_

**Important**

- i. All authors must sign independently in this form in the sequence given above. If an author has left the institution/country and their whereabouts are unknown, the senior author may sign on their behalf, assuming responsibility.
- ii. No addition/deletion or any change in the sequence of authorship will be permissible at a later stage without valid reasons and permission of the Editor.
- iii. If authorship is contested at any stage, the article will either be returned or not processed for publication until the issue is resolved.
